AIA Northern Michigan Lunch Presentation

When: Wednesday, October 30th, 12:00 Noon

Where: Chamber of Commerce

Sponsor / Presenter: Rittner French Associates, Record USA, Great Lakes Automatic Door

**Please RSVP (if you haven't already done so) by responding to Sarah Bourgeois at sarah@sbourgeois.com

Rittner French Associates, in cooperation with Record USA and Great Lakes Automatic Door would like to invite you and your colleagues to an architectural educational presentation:

“The Perfect Entrance Solution”

RITTNER FRENCH ASSOCIATES
Rittner French Associates / Rittner Products, Inc.

800-RFA-4-SPEC – www.rittnerfrench.com

Wednesday October 30th At 12:00 PM

The American Institute of Architects Continuing Education System

This is a 1 hour AIA/CES course discussing automatic doors and how they relate to codes and safety. Included will be conversation on AAADM (Association of American Automatic Door Manufacturers), the differing codes governing automatic doors, advances in technology that eliminate danger and a discussion as to how automatic doors provide convenience and aesthetic advantages to the building owner.

Participants will be able to differentiate between available door systems which may allow him/her to achieve their design criteria as it relates to safety, aesthetics and functionality.

Program #: T112 Credits: 1 HSW

The Seminar will be held Wednesday October 30th At 12:00 PM

Location:

Traverse City Area Chamber of Commerce
202 East Grandview Parkway
Traverse City, MI 49684

Lunch will be provided

Website for AIA Northern Michigan

The AIA Northern Michigan is starting to work with the AIA Michigan to create a new website for our chapter. If you are a member or a sponsor, we would like to include your contact information and a link to your website. If you would like to be on the website, please send the contact information that you would like to appear on the website to: chris@cornwell-architects.com

Teams for Canstruction

Teams will be forming again this year for Canstruction, which benefits the Father Fred Foundation. Teams create free-standing sculptures from cans of food which will be donated to the food-drive. Please let us know if you are interested in participating.
