Hello November!

This week gives us a chance to catch a collective breath after the busy event season we've had this fall, but we can't pause for too long! We are launching into wrap-up meetings for this fall as well as planning meetings for winter and spring events, so we will update the calendar as new information develops.

Chapters: Please send your calendar of events to christine@aiami.com. We would like to get them all on one main calendar next year which is on the front of the website as well as listed in all of our publications. We will also promote your events in our Newsletter or Monday Minutes. We need to hear from you!

Own a Piece of History and Support the Frank Lloyd Wright Affleck House!

AIA MICHIGAN

This elegant custom commemorative pen is designed and handmade by Lawrence Technological University School of Architecture alumni Frederick F. Butters, FAIA, Esq. from the few remaining remnants of the Tidewater Cypress wood removed from the Frank Lloyd Wright designed Affleck House during recent maintenance.

Placed on the Michigan State Register for Historic Places in 1978, and the National Register of Historic Places in 1985, the guest register records over 10,000 visitors who have enjoyed the splendor of this magnificent design. All proceeds will be exclusively employed to complete the on-going Affleck House restoration.

Don't miss this once in a lifetime opportunity to own an actual piece of Architectural History while supporting a good cause. Act soon as orders will be closed at 100 and no more will ever be made. Fewer than 40 remain!
