

HEALTHCARE SOLUTIONS

OUR EXPERTISE

Serving Michigan's premier healthcare industry since 1966, Roncelli is one of the Midwest's leading healthcare construction services providers with unique experience implementing capital program solutions. We recognize the challenges our Healthcare clients face each day to deliver exceptional services and value to their patients. Our experience covers the full spectrum of healthcare environments, from surgical suites to administrative offices, infrastructure and site work. Our expertise in multiple delivery systems and contract types demonstrates a flexible approach in meeting your specific project or program needs.
